

GENTILE.

Strategies & Consulting LLC

FRAUD PREVENTION / EDUCATION / STRATEGY

Recognize fraud. Respond with confidence.

Practical guidance for organizations and the people they serve.

HOW I CAN HELP

Presentations & workshops

Engaging sessions that explain how scams work, the warning signs to recognize, and practical next steps. Tailored for community and professional audiences.

Staff & frontline training

Prepare staff to recognize concerning situations, hold respectful conversations, and understand escalation and referral options through realistic examples.

Prevention strategy & consulting

Build a practical approach to education, outreach materials, partner coordination, and processes that help your team act when concerns arise.

DESIGNED FOR

Aging and care organizations · Banks and credit unions
Community groups · Professional associations

21

years of federal law
enforcement experience

PHILIP GENTILE

Retired U.S. Postal Inspector
Consultant & speaker

Investigative experience, team leadership, and a continuing focus on elder-fraud prevention, public education, and cross-sector collaboration.

LET'S DISCUSS YOUR ORGANIZATION'S NEEDS
